1. Office of Security GE31 HQ A DD/P&M	30 Sep 75		WB	Attached is a proposed letter to the Senate Judiciary Committee on a bill which would bar the use of the polygraph by CIA and other Federal agencies. We originally thought we would have the bill's sponsor, Senator Bayh, out for breakfast to discuss this matter, and he expressed an initial willingness. However, this seems unlikely now due to his Presidential campaign, and so I have drafted a letter to the Committee opposing the bill. Please review the letter and let me have your comments by 2 October. Thank you.
